

SUMMARY of 2016 Election Law Changes

5-C:4 clarifies the process for the secretary of state to identify deceased voters using vital records information and conveying that information to the city and town clerks.

652:16-c adds the National Guard to the list of Absent Uniformed Service Voters.

654:7, I(a) specifies that a 17 year old may register to vote if they will be 18 on the day of the next election following registration.

654:7 adds to the voter registration form(s) sections for the voter to indicate if it is a new registration, a transfer registration within the State of New Hampshire or a name/address change or update. It also removes from the voter registration form the paragraph about obtaining a driver's license within 60 days of registering.

654:27 changes the time period that supervisors of the checklist must hold sessions for correction, and how those notices must be noticed.

654:28 removes the provision for the supervisors of the checklist to have a Saturday session. It also removes the provision for the supervisors to meet on the Tuesday 7 days prior to an election if the Saturday falls on a holiday weekend.

654:37 and 654:45 are part of the new national crosscheck programs which allows the secretary of state to share voter information or data from the statewide centralized voter registration database for the purpose of comparing duplicate voter information with other states or groups of states.

654:38 allows a verification of the checklist to be petitioned by registered voters no later than the eighth Friday after a state election.

654:38, I and 654:39 provides for supervisors of the checklist to post notice of their sessions on their town or city's website when a verification of the checklist occurs.

655:14-b, V states that all legal names that are placed on a ballot must be consistent in appearance.

657:15 allows candidates whose names appear on the ballot for statewide office to subscribe with the secretary of state for a statewide list of persons who have requested absentee ballot for a fee.

657:16 specifies that any absentee voter registrations received after the last session of the supervisors of the checklist prior to an election will be processed as election day registrations.

657:17 allows absentee ballots delivered to the clerks by the voters spouse, parent, sibling or child may be accepted up to 5:00 p.m. on the day of the election.

657:1; 657:4, I; 657:7, II(a); 669:26 further defines the term "employment" and "working" to include the care of children and infirm adults for reasons for requesting an absentee ballot.

657:4, II(a) establishes the criteria for publishing, mailing or distributing absentee ballot forms or postcards and requires such communication to be identified in the same manner as political advertising.

658:21-a allows a selectman to appoint a selectman pro tem if he or she is unable to perform his or her duties at any state election.

658:24 provides for any person, other than a moderator, clerk, selectman, inspector of election, or supervisors of the checklist, whose name appears on the ballot for an elective position to be disqualified from performing duties as an election official. A moderator, clerk, selectman, inspector of election, or supervisor of the checklist shall not handle marked ballots nor assist with the counting of votes.

659:20-a Any voter who arrives at a polling place and states under oath to the moderator that they are unable to access the ADA compliant polling place due to physical disability may have an absentee voter delivered to that voter outside the guardrail.

659:43, I prohibits the distribution, posting or wearing of any poster, card, handbill, placard, picture, pin, sticker, circular or article of clothing at a polling place which is intended to influence the action of a voter within the building where the election is being held.

659:44-a prohibits public employees from using government property or equipment for electioneering purposes.

661:9 allows the county convention (not superior court) to remove any officer of a county for official misconduct.

664:6, I includes the political committee of a party and the political committee of a candidate to be included in the reporting of contributions and expenses. It also provides for two additional reporting dates – the first Wednesday of June and December after a state general election.

664:9-b allows candidates and/or committees to publicly release their receipt and expenditure information prior to the date the report is actually due, provided that the report is up to date when due.

664:13-a provides for the process of a governor-elect to report receipts and expenditures for a gubernatorial inauguration.

670:5 requires village district commissioners to give supervisors of the checklist 60 days notice of any village district election.
